

## Questions to Ask After Implant Surgery:

1. How long is the recovery period?
2. Can I go to work?
3. Can I drive?
4. Will my oral care change – brushing and flossing?
5. Do I need a special mouthwash?
6. How often will I need to visit the dentist?
7. Are there any foods/drinks I should avoid?
8. Do I need to take any other precautions?
9. What is recommended should I have any discomfort?
10. If I have a problem following the procedure, who should I call?
